Remarks:

I checked with [redacted] on this. OTR is getting Commo @ 10 TTY terminals they already have ordered. In exchange Commo is funding T1 and Delta Data for OTR. These will be switchable terminals that OTR, ODP, and OC have been working on.

Issue - OL will have to approve another 24 or 50 Delta Data with Tempest Modification for this and possibly CAMS. Engineering is doing a study of requirements now to see how many will be needed.

FOLD HERE TO RETURN TO SENDER

MEMORANDUM FOR: Director of Communications

FROM: Harry E. Fitzwater
Director of Training

SUBJECT: Purchase of Delta Data Terminals and
Printers for the Information Science
Center

1. In accordance with the agreement reached between the Office of Communications and the Office of Training regarding computer terminals, the Office of Communications has agreed to make available \$107,300 for the purchase of computer terminal equipment. [REDACTED] in the DDA's Office has requested that the actual purchase be initiated by the Office of Communications and it is our understanding that this matter has been discussed with [REDACTED] of your Office.

STATINTL

2. We would appreciate immediate procurement for the Information Science Center of Six (6) Texas Instrument printers with the remainder of the amount used to purchase Delta Data terminals, which we understand are available currently at \$4,065 each.
